

GOOD AFTERNOON VIRGINIA MEN'S GYMNASTICS COMMUNITY,

I know that everyone is anxiously awaiting the Level 4-10 and Platinum Virginia State Championships information. As always we appreciate your patience and understanding. There are many pieces to the puzzle not the least of which are the qualifying procedures from the National and Regional offices and the decision to include the Platinum Club level. That being said, even though we are still waiting on some important information, we are sharing some preliminary information to help with your planning.

The region has gone with an allotment system for qualification to Regionals which falls more in line with the qualification to Junior Development Nationals and Eastern/ Western Championships. The allotment numbers are still being determined and will be provided as soon as they are available. With this change in mind, as well as the new junior program being rolled out this season, there will be no minimum qualifying score to Virginia State Championships, however gymnasts must compete in at least one In-State (Virginia) competition this season prior to the State Championships March 11-13, 2022. This will allow for as many athletes as possible to participate in State Championships.

MEN'S LEVEL 4-10 AND PLATINUM VIRGINIA STATE CHAMPIONSHIPS
