April 28-30 • Fort Lauderdale, FL

CHAMPIONSHIP INFORMATION

Meet Reservation and Apparel Information

Dear Coaches / Club Administrators:

I hope you are getting excited about the upcoming 2023 Men’s Regional Championships! Here your athletes will qualify to Development Program National Championships or Eastern / Western Championships.

After qualifying for one of these events, coaches will need to confirm his athlete(s) spot in the event with the Regional Chairman. **Clubs will have by the EOD Monday following Regional Championships to register their qualified athletes into the respective event in the Meet Reservation system.** You must be an owner or administrator on your club’s membership profile to do this. The entry fee to enter the respective event is \$175/gymnast, including petitioned athletes. Any qualified athlete not registered by the end of day Monday will be considered to have declined his spot at his respective event. There will be no grace period, no follow up emails, and no opportunity for recourse or action if not registered for the respective event by Monday following Regional Championships.

Below, please find the breakdown of who qualifies to which event.

Event	Location	Event Date	Regions	Levels
Western Championships	Galveston, TX	4/28-30	1, 2, 3, 4, 9	JN 7, JN 8, JN 9
Eastern Championships	Fort Lauderdale, FL	4/28-30	5, 6, 7, 8	JN 7, JN 8, JN 9
Development Program National Championships	Oklahoma City, OK	5/10-14	All regions	JE 8, JE 9, JE10, JN 10

Coaches Registration for Development Program National Championships

Only one (1) coach per gymnast, with a maximum of two (2) coaches per club are permitted to be registered for Development Program National Championships. If you believe you need additional coaches, do not register them for the event. Complete an Additional Coaches Credential Form and email it to lmendel@usagym.org. You can find this document within these instructions or on the Men’s Program website under FORMS on the left side of screen or [click here](#). If approved, USAG will notify you, including instructions on how to pay for the additional credential. **DO NOT REGISTER MORE THAN THE ALLOTTED NUMBER OF COACHES.**

HOW TO REGISTER FOR THE EVENT

The administrator or owner will login into the USA Gymnastics membership and follow these prompts:

- Click on Club Administration on the left side of the screen
- Click on Meet Reservation on the drop down
- Click Search for Meets
- Filter with Mens, then OK for Dev Nationals, TX for Westerns, and FL for Easterns
- Click on event registering for
- Complete the entry - make sure the athletes are in their correct levels
- Click on Submit
- Follow the prompts to pay the entry fee(s)

Petition Registration

If you are submitting a petition packet to the regional chairman to review and submit to USA Gymnastics for approval, you must register the petitioned athlete(s) as well. If a petitioned athlete’s packet is denied or the athlete cannot get medical

clearance, a refund will be issued following the event petitioned to. The petition process is outlined in the qualification document included with this notice or [click here](#).

The petition requirements will remain the same but the method of submitting it will be replaced with a Google form, so please make sure you have a Google account if you do not already have one. The Regional Chair will vet all petitions. If the petition is viable, the Regional Chair will provide the coach with the link to the Google Form to complete and submit to USA Gymnastics.

Safety Certification

If you have athletes that have turned 18 years of age or will turn 18 just before or during any of these events, they are required to complete the online Safe Sport course. They will not show up on the roster if it has not been completed so be sure to reach out to those athletes. Tell them to login to their USAG account, scroll to bottom, click on Safe Sport and follow the prompts to complete. Tell them to be sure they are not in their parents account, so they may have to set up their USAG membership account. Also, if they turn 18 during the event, tell parents they need to login and give permission for their 17-year-old to complete the course.

Apparel for Development National Championships

All parents of JE 8, JE 9, JE10, and JN 10 athletes **attending Regional Championships** were emailed a Google form requiring them to complete the sizing for their athlete so that we have the sizes up front. Please follow up with your JE 8, JE 9, JE 10 and JN 10 athletes/parents to make sure this has been completed. If they haven't, please share this link with them to complete.

Apparel Sizing Form
