Qualifying Procedures: In an effort to provide all of the Virginia Men's Gymnastics Athletes the opportunity to compete in a Championship meet the qualification for the Virginia State Championships will be to have competed in at least one "in-State" invitational at the level and division in which he will compete at State Championships (not an "In-House" event). The qualifying event may occur after the deadline for entry into the State Championships. Regional qualification (level 3-10 and JE) will likely be an allotment similar to last year. Elite athletes (all Level 8, 9 and 10 Elites) will have to qualify to Regional Championships via the Technical sequence session and receive a minimum score of...TBA. The VA Men's Gymnastics Elite Team qualification will be updated and posted as soon as our state athlete numbers are finalized.
